

Webinar Series:

Energy Efficiency Incentives and Technical Education Presentations

Join us for a new **FREE** webinar series every other
Wednesday from noon to 1:00 p.m. Eastern, starting January 18, 2012.

The first half of the webinar series will cover new enhancements to Act 129 Programs from FirstEnergy's utilities, during which you can learn all about the cash incentives available for your commercial or industrial energy efficiency projects. In the second half, we will have a guest speaker present on a variety of educational topics. For more information and to register, see details below, or call Diana Pangestu at 212-946-2850.
